

Dane Ghyll Science Curriculum Map 2017/18

Year Group	Topic 1	Topic 2	Topic 3	Topic 4	Topic 5	Topic 6
1	Working Scientifically	Plants	Animals inc Humans	Materials	Seasonal Changes	Earth and Space
2	Working Scientifically	Plants	Animals inc Humans	Materials	Living Things	Habitats
3	Working Scientifically	Plants	Animals inc Humans	Rocks	Light	Forces and Magnets
4	Working Scientifically	Living Things and their Habitats	Animals inc Humans	States of Matter	Sound	Electricity
5	Working Scientifically	Living Things and their Habitats	Animals inc Humans	Materials	Earth and Space	Forces
6	Working Scientifically	Living Things and their Habitats	Animals inc Humans	Evolution and Inheritance	Light	Electricity

All units to be taught , the term in which they are taught is flexible.

Working Scientifically is the process of planning and performing practical tasks, This is not a separate unit but is to be taught throughout each of the topics.

Some topics are the same, however there is a difference in the content taught in each class and a clear progression in complexity of the tasks and general knowledge required. More detail of the topics is contained within the planning of each class and in the whole school plan which accompanies this map.
