Dear Parents

## Music Lessons

We have pleasure in informing you that places exist for this academic year, for children to learn to play either a violin, guitar or woodwind instrument. We are also offering guitar as a continuation due to the success of the year 3's wider opportunity scheme.

The cost of music lessons is currently £26.00 per term. We also have flutes in the school which are available for hire, with an option to purchase at a later date if desired. Alternatively, instruments may be either purchased or leased from the Local Authority or a music shop. If you wish to know more about Local Authority hire, please contact Miss Noble as prices vary dependant on the instrument.

If you are interested in your child taking up an instrument, would you please complete and return the slip attached to Miss V. Noble by **Friday 8th September, 2017**. Please note however, that whilst children may try more than one instrument, due to the demand for places, children can only learn **one** instrument through the schools music service. If your child participates in these lessons we expect them to attend regularly and if they decide to stop lessons at a future date a **fortnights notice** is now required, in writing, to Miss Noble.

If your child wishes to learn an instrument, we hope that he/she will find these music lessons enjoyable and fulfilling.

Thank you for your continued support and co-operation.

Yours sincerely

Miss V Noble
