Dear Parent,

Swimming Provision for Key Stage 2 - 2017/2018

Following the success of providing swimming provision for the Key Stage 2 children over the past academic year, we have secured time at the baths to enable junior children to benefit from swimming sessions throughout 2016/2017.

We are able to cover a great deal of the additional cost but there will be a budget shortfall. Therefore, the governors have asked that we request a contribution from each child towards tuition and transport.

The contribution required for the Autumn Term 2017, will be £20.00. These sessions commence on Tuesday 19th September, 2017 and the last session for the term will be on Tuesday 28th November, 2017.

We appreciate the financial implications for families but without your support, we cannot realistically extend this provision. Please do not hesitate to contact me if you wish to discuss this matter.

Many thanks in anticipation of your support.

Yours sincerely

Mrs V Smithson
P.E. Co-ordinator
